"Swiss haute couture" in esthetic dentistry
By Edelweiss DR AG

Dr. Emo Dimitrov will present a course for direct restorations, which is different from every other else. His skills have been built under the guidance of some of the most successful clinicians in this field, and now it is time for Dr. Dimitrov to "return the gesture" passing his large experience. Two days – demonstration on a patient live, theory, many practical exercises and great experiences in the unforgettable Rouse.

Direct restorations in anterior teeth with Inspiro
Dr. Emil Dimitrov, 22-23 March, Rousse

2-days course

- 1st day – live demonstration on patient
- 2nd day – theoretical part and hands-on
